The requests contained in the Memorandum were for—

(i) the supply of indigenous iron and steel at prices fixed by the Joint Plant Committee;

(ii) the allotment of M.S. sheets through the Association;

(iii) recommending the Association for recognition by the Joint Plant Committee;

(iv) recommending the import of sheets in the event of shortage in Indigenous Production;

(v) relief from the levy of Sales tax and excise duty.

The steps taken to ensure regular and proper supply of steel requirements are as follows:—

(i) The Government of India have introduced revised distribution procedure for iron and steel with effect form 22nd May 1970 enabling the indentors to place indents without any ceiling on the main stell plants through the Joint Plan Committee;

(ii) Continuance of the arrangements of procuring and distributing iron and steel through the Government owned raw material depots to the small-scale fabricators who may be unable to transport materials in wagon loads;

(iii) Recommending the direct import by Actual users of licensable iron and steel items to the maximum extent possible and the making of allocations against the import by the Hindustan Steel Limited.

The Government have also examined the request for the relief from the levy of sales-tax and found it not possible to accede to it. As regards the relief from the Central Excise duty the matter is under the consideration of the Government.
